FRED'S TENTS
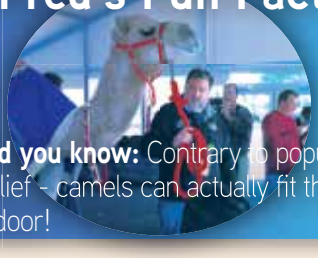
DOORS AND HARDWARE

Fred's Fun Fact



Did you know: Contrary to popular belief - camels can actually fit through a door!

CUSTOM PRINTED DOORS

All Fred's Tents doors are manufactured in the United States, and offers customization Options. Create a eye-catching custom themed entrances to captivate your attendees. Fred's custom panels ensure and effortless switch to meet any event theme.

PANIC HARDWARE

Fred's Panic Hardware Doors are fitted with a universal key that has remained the same since its inception. This is for easy access especially if you have multiple doors. Fear not of getting locked outside because any spare Fred's key will do the job.

DOOR CRATES WITH HARDWARE

All Fred's Tents door crates come with their own careful and concise instructions for installation and packing. These are always stapled inside so they're always with you. Door instructions are printed in both English and Spanish. Each door has its own crate specifically designed to make shipping easy and safe for your new product.
